

## Welcome to your digital edition of *Commercial News USA*!

The issue immediately follows this introduction. The instructions below will help you navigate your digital edition and take advantage of the enhancements available in this electronic format.

How to navigate this magazine:

Take a moment to familiarize yourself with the menu icons at the top of your screen. As you move your mouse pointer over each item, a brief description will appear.

Begin by setting your computer to display two pages at a time. (We have pre-set the magazine to be in this configuration, but some readers may need this step). Looking at the Menu Bar at the top of your screen, select VIEW: CONTINUOUS FACING. Next, make sure the width is correct by selecting VIEW: FIT WIDTH. Now the magazine will fit your screen nicely. Although you may want to enlarge or reduce the size of the display as you read.

- **Link directly to advertiser's Web sites.** Look for the URLs in each ad (almost always at the bottom) and a dashed blue box to click on in each listing and display ad. NOTE: you must be connected to the World Wide Web for this to work.
- **Turn the page** or go back by using the triangle-shaped menu icons at the top of your screen - 
- **Enlarge the page** for easier reading by selecting VIEW: SINGLE PAGE. Use the up and down arrows on the keyboard to scroll through the entire page. You can return to the two-page display by reselecting VIEW: CONTINUOUS FACING.
- **Go directly to a highlight section** by clicking the title in the table of contents.
- **Search the issue** electronically by clicking the binocular icon in the menu bar and typing in your subject when prompted.

We hope you enjoy your electronic edition of *Commercial News USA*!

## Interactive Multimedia Presentations with the Interactive Presentation Manager (IPM)

If you can browse your hard drive, you can create an entertaining and informative multimedia computer generated presentation easily and quickly. IPM is an advanced digital electronic board that connects to a PC and LCD projector, creating a large interactive projection screen. Improve audience attention by launching text, graphics, video, audio and animation software for dynamic presentations. Color annotations can be made by using the electronic pen. The virtual whiteboard software is great for taking notes and creating drawings. Control your computer from the front of the room while

maintaining eye contact with your audience. **CONTACT:** Mandy Buckley, International Marketing Rep, Interactive Products Div.-Numonics Corporation, Dept. CN, 101 Commerce Drive, PO Box 1005, Montgomeryville, PA 18936 U.S.A. **TELEPHONE:** 215-362-2766. **FAX:** 215-361-0167. **EMAIL:** [numonics@numonics.com](mailto:numonics@numonics.com) **WWW:** [www.interactivewhiteboards.com](http://www.interactivewhiteboards.com)

## Atlas Specialty Lighting® Replacement Lamps

**"Replacement Lamps & Biomedical Batteries for medical industry."**

For medical equipment such as microscopes, operating room lamps, fiberoptic, endoscopes, and more. From Amsco, Welch Allyn, Hanaulux, Pentax, Storz, Olympus, Nikon, PerkinElmer,

Skyton, Topcon, and others. Atlas now stocks Xenon cold light source replacement lamps & power for medical, surgical, & endoscopic use. **CONTACT:** Eva Salazar, Int'l Marketing Manager, Atlas Specialty Lighting, Dept. CN, 1111 West 22nd Street, Hialeah, FL 33010 U.S.A. **TELEPHONE:** 305-885-8941. **FAX:** 305-888-2973. **EMAIL:** [export@aslgt.com](mailto:export@aslgt.com) **WWW:** [www.aslgt.com](http://www.aslgt.com)

## Customer Interactive Opinion Polling Machine

The battery-operated fully-automatic "OpinionMeter" lets lobby customers self-administer computerized surveys on customer service at places such as banks, post offices and hotels. It delivers large samples at low cost, providing instant summary results, and has many other market research applications. It measures 17 x 20 x 48 cm and weighs 2.3 kgs, which makes it easy to move. **PRICE:** \$795 to licensees. Handheld version is available. Licensees sought. **CONTACT:** Morgan Strickland, Pres., OpinionMeter International Ltd., Dept. CN, 1061 Eastshore Hwy, Ste.# 104, Albany, California 94710-1011 U.S.A. **TELEPHONE:** 510-559-3717. **FAX:** 510-559-3716. **EMAIL:** [sales@opinionmeter.com](mailto:sales@opinionmeter.com). **WWW:** [www.opinionmeter.com](http://www.opinionmeter.com)

## Indoor & Outdoor Motion Signs

**Action Graphix** is your one stop shop for motion signs. "Tri-Action"- Three message revolving signs are great for outdoor advertising, On-Premise ID signage and stadium/arena markets. Up to 42 ft (13m) tall and unlimited lengths, custom-built for you. "Images In Motion"- a smaller, sleeker version for indoor applications that comes in Tri-Action or Scroll versions. "Scroll Sign"- a motion sign of various sizes with up to 15 ads for indoor and outdoor applications. **CONTACT:** Allen Raulston, International Division Manager, Action Graphix, 2623 Commerce Drive, Jonesboro, AR 72401 U.S.A. **TELEPHONE:** 870-931-7440. **FAX:** 870-931-7528. **EMAIL:** [action@actiongraphix.com](mailto:action@actiongraphix.com) **WWW:** [www.actiongraphix.com](http://www.actiongraphix.com)

## Grow 10 Inches Taller ... Instantly!!

The **Shure-Step®** reduces injuries when working at an elevated height. The pictured Shure-Step® is 10 inches tall, 24 inches long and 13.5 inches wide at the base and weighs 8 pounds. These steps grow 6 inches with each stacked step, to safely increase your working height. The Shure-Step® won't tip or slip when used in maintenance facilities, warehouses and offices with overhead storage files. Transport vans use the Shure-Step® to safely load & unload passengers and cargo. **CONTACT:** David C. DuPont, Crest Step On, Inc., Dept. CN, 3501-A Oak Forest Dr., Houston, TX 77018 U.S.A. **TELEPHONE:** 713-956-5240. **FAX:** 713-956-9311. **WWW:** [www.shure-step.com](http://www.shure-step.com)

 **Agricultural Technologies**

"AgraCo Technologies Int'l" is currently featuring new products. The Extend-a-Life & Produce/Floral Saver line of ethylene absorption filters and sachets, absorb ethylene gas, a natural gas given off by fruits that start the ripening process. By absorbing the gas, the shelf life of most fruits and vegetables can be extended by 2 to 4 weeks. Their other products, FlyTraps and Wasp Traps, are safe and non-toxic to use near animals, livestock, and people. It is not a pheromone, instead, it attracts both the male and female fly, reducing additional flies in the future. AgraCo specializes in agricultural technologies, consulting, and management.

**CONTACT:** Mr. David M. Webster, President & CEO, AgraCo Technologies Int'l, Dept. CN, 543 Cedar Drive, Lafayette Hill, PA 19444 U.S.A.

**TELEPHONE:** 610-825-7800.

**FAX:** 610-825-4772.

**EMAIL:** dwebs543@aol.com

 **All-Terrain Vehicles  
For Rough Areas**

Six-wheel-drive, amphibious "All-Terrain Vehicles" go into areas unreachable by conventional vehicles, says the company. Designed for off-road travel and used by oil companies, construction firms,

government, and military units, these two- and four-passenger vehicles are also used for hunting and fishing. The vehicles travel about 8 km/hour in water and about 40 km/hour on land. **PRICE:** From \$5,080. Distributors are sought. **CONTACT:** Galen Reich, Dir. International Sales, Recreatives Industries, Inc., Dept. CN, 60 Depot St., Buffalo, New York 14206 U.S.A. **TELEPHONE:** 716-855-2226. **FAX:** 716-855-1094. **EMAIL:** galenreich@yahoo.com **WWW:** http://www.maxatvs.com

 **The Finest in Pruning Saws**

With 80 years of experience and three generations of saw makers, "Fanno Saw Works" continues to be pruning saw specialists. Fanno Saw Works is known worldwide by arborists, orchardists, landscape and utility companies for its excellence in saw design. Durability in construction, utilizing quality materials, has earned Fanno Saw Works the reputation as a leader in its field. Fanno Saw Works continues to be an innovator in folding saws, pole saws, utility saws and tree-care specialty saws.

**CONTACT:** Fanno Saw Works, Dept. CN, P.O. Box 628, Chico, California 95927 U.S.A. **TELEPHONE:** 530-895-1762. **FAX:** 530-895-0302. **EMAIL:** info@fannosaw.com **WWW:** www.fannosaw.com

 **Electronic Bird Repelling  
Products**

"Bird Gard" and "Crop Gard" electronic bird repelling products drive unwanted birds away from orchards, vineyards, crops, airports and landfills. Audible bird distress and harassment sounds are digitally recorded onto microchips and are effective against starlings, gulls, and other flocking birds. These sounds are then amplified and broadcast to protect areas from one acre (0.4 hectares) up to 40 acres (16 hectares). Bird Gard offers unconditional guarantee for one year. Manufactured in the U.S.A. **CONTACT:** Terry Denzer, Bird Gard, LLC, 601 North Larch Street, Sisters, OR 97759 U.S.A. **TELEPHONE:** 541-549-0205. **FAX:** 541-549-5286. **EMAIL:** info@birdgard.com **WWW:** www.birdgard.com

active against starlings, gulls, and other flocking birds. These sounds are then amplified and broadcast to protect areas from one acre (0.4 hectares) up to 40 acres (16 hectares). Bird Gard offers unconditional guarantee for one year. Manufactured in the U.S.A. **CONTACT:** Terry Denzer, Bird Gard, LLC, 601 North Larch Street, Sisters, OR 97759 U.S.A. **TELEPHONE:** 541-549-0205. **FAX:** 541-549-5286. **EMAIL:** info@birdgard.com **WWW:** www.birdgard.com

 **Heavy Duty Fire Apparatus**

"High-Rise Rescue Super Pumper" available immediately. Brand new heavy duty export vocational International air conditioned

chassis includes dependable Fuller RTO 10 speed manual transmission and powerful Cummins 430 HP engine. Firefighting capabilities include 100 foot heavy duty steel aerial ladder, five foot aluminum rescue platform, Hale 2,000 GPM fire pump, Edwards 150 GPM balanced foam system, Akron remote control monitor nozzle, aluminum rust-free apparatus body and dual 750 gallon stainless steel water and foam reserve tanks, and full NFPA compliant emergency warning light/siren system. **CONTACT:** First Priority Emergency Vehicles, Dept. CN, 1000 Asbury Ave, Asbury Park, NJ 07712 U.S.A. **TELEPHONE:** 732-502-0299. **FAX:** 732-988-8013. **EMAIL:** FPEV@aol.com

 **Banding Castration Tool**

When you castrate bulls < 200 lbs, you lose testosterone, and bulls grow slowly. Castrating

bulls when they are 400-800 lbs permits testosterone to help them grow 15 % faster. Castration with a knife for bulls 400-1000 lbs is also dangerous to the animal's life. The California Bander is a castration tool that uses a band to stretch around the scrotal sac to stop blood flow to the scrotum. The scrotum then falls off in 3 to 5 weeks. **CONTACT:** InoSol Co LLC, Dept. CN, 1774 Citrus Lane, El Centro, CA 92243 U.S.A. **TELEPHONE:** 800-847-2533. **FAX:** 760-337-9245. **EMAIL:** sales@inosol.com **WWW:** www.inosol.com

 **ECO-TREE REFORESTATION  
TECHNOLOGIES**

Satellite crop monitoring tree farms that reclaim deforested, desert and degraded lands while simultaneously relieving pressure upon

local and indigenous forests. These reforestation technologies are successful due to rapid growth, restoration of water resource depletion, oxygen, topsoil, timber, and introduces underground minerals into the horticulture cycle. License this controlled brilliant technology for your country via a master license for 1,000 acres at a minimum of 16 million. Licenses Available in Select Countries. **CONTACT:** David Baker, FranTech International Licensing, Inc., Dept. CN, 2299 Main St. #11, Ventura, CA 93001 U.S.A. **TELEPHONE:** 805-653-5264. **FAX:** 805-643-4386. **EMAIL:** Director@InternationalLicensing.com **WWW:** www.FranTechInternationalLicensing.com

 **Engine Decarbonizing and  
Small Engine Cleaning**

"Run-Rite's Fuel System Cleaner" cleans air intake area, fuel injectors, and combustion chambers in all engines, reducing tail pipe emissions to pass

inspections, improving fuel economy and engine performance. An easy-to-use installation tool produces predictable results in 30 minutes. Run-Rite promises supreme quality at a competitive price. On small engines, Run-Rite Induction Cleaning Foam produces starts on the first pull. Partnerships with quality distributors are sought. **CONTACT:** Duane Wilkie, Run-Rite Int'l Ltd., Dept. CN, RR#5 Box 5282 Upper Cherry Valley Road, Saylorsburg, PA 18353 U.S.A. **TELEPHONE:** 203-746-5808. **FAX:** 203-746-9699. **EMAIL:** international@run-rite.com **WWW:** www.run-rite.com

## Your Extrusion Problem Solvers

**Creative Extruded Products, Inc.** is a custom profile extruder specializing in problem solving using cutting edge technology and materials for customers. Their capabilities range from simple profiles to complex multi-durometer, multi-material designs. They have a fully staffed engineering department available to solve your molding problems, including in house extrusion tooling design and fabrication, shortening turn around time from print to part. Creative Extruded Products, Inc. is ISO 9002-QS9000 Registered. **CONTACT:** Creative Extruded Products, Inc., Dept. CN, Tipp City and Manufacturing Center, 1414 Commerce Park Drive, Tipp City, OH 45371 U.S.A. **TELEPHONE:** 937-667-4485. **FAX:** 937-667-3647. **EMAIL:** spgsales@creativeextruded.com **WWW:** www.creativeextruded.com

## Innovative Auto Parts/Accessories

"Rostra Precision Controls" is an ISO 9001/QS 9000 manufacturer of innovative automotive parts and accessories. Rostra is offering for export its complete line of automotive accessories: **Cruise Control** (Electric cruise and RF control switch. Rostra has both universal and custom models available), **Adjustable Lumbar Support** (Fits either the driver or passenger seat), **Universal Electric Seat Heater**, **Electronic Heated Windshield Wiper Blades**, **Rear Obstacle Sensing for Commercial and Passenger Vehicles**, and **Transmission Products** (Solenoids, modulators and wiring harnesses). Distributors are sought. **CONTACT:** Thomas Weiss, Dir. Int'l Sales, Rostra Precision Controls, Dept. CN, 2519 Dana Dr., Laurinburg, North Carolina 28352 U.S.A. **TELEPHONE:** 910-291-2563. **FAX:** 910-276-1354. **EMAIL:** tweiss@rostra.com **WWW:** www.Rostra.com

## Battery Doctors Systems - Know-How, Product & Equipment Free of Charge

A very comfortable income can be made from large quantities of virtually free discarded batteries, says ProTec. The investment is less than \$3,000. The company provides \$2,000 worth of product and equipment, the know-how, business plan and a marketing guideline free of charge. Their 40-minute instructional video and the manual "How to recondition batteries without taking them apart" show you how to generate \$40,000 to \$50,000 from 2,400 reconditioned batteries you can sell with a warranty. **CONTACT:** Robert Monconduit, ProTec International, 1832 Cedar Oak Road, Placerville, CA 95667 U.S.A. **TELEPHONE:** 530-622-8511. **FAX:** 530-622-5945. **EMAIL:** batterydoctors@protecusa.com **WWW:** www.protecusa.com

## Elibon International Group - Professional Additives, Lubricants & Adhesives

**Elibon International Group** has been providing quality car care products internationally since 1976. They are seeking qualified firms for international distribution covering their **PYRAMID®** & **SUPER STEEL®** product lines. They offer a complete range of high quality Fuel System Additives, Radiator Repair Products, Lubricants and Oil Additives, Gasket Makers and Sealants, Specialized Aerosol Cleaners, Appearance Products & Adhesives at competitive prices. **CONTACT:** Steven Nobile, Vice President, Elibon International Group, Dept. CN, 429 Schiller Street, Elizabeth, NJ 07206 U.S.A. **TELEPHONE:** 908-289-2960. **FAX:** 908-289-6096. **EMAIL:** elibon@optonline.net **WWW:** www.elibon.com

## Stay Cool In the Heat and Dry In the Rain with Auto Ventshade Products

The new **Qwik-Snap™ Ventvisor® Deflector** keeps the rain out and lets the fresh air in. The Qwik-Snap Ventvisor has a tape free installation, simply snapping into the window channel allowing windows to be kept partially open to reduce heat buildup in parked vehicles. Qwik-

Snap Ventvisors are made of acrylic material in attractive dark smoked gray. Ventvisor lets you crack your window to keep you cool in the heat and dry in the rain. Custom applications are available for most cars, trucks, vans, and SUV's in 2 and 4 piece sets. **CONTACT:** Jodi Moulzolf, Lund International, Dept. CN, 911 Lund Boulevard Suite 100, Anoka, MN 55303 U.S.A. **TELEPHONE:** 763-576-4223. **FAX:** 800-782-5448. **EMAIL:** jmoulzolf@lundlook.com **WWW:** www.lundinternational.com

## T-BOLT BAND CLAMPS

**Clampco** T-bolt band clamps provide leak-proof connections in a wide variety of industrial, commercial, and military applications. Clampco's T-bolt clamps are manufactured from 300 series stainless steel and are supplied with rounded band edges to protect soft hose materials. Clampco T-bolt clamps provide higher tensile strength, durability, and corrosion resistance than typical worm gear clamps. Frequently used on coolant systems, engines, duct systems, irrigation, and medical equipment. Clampco says their T-bolt clamps are the perfect choice for applications because of their superior design. **CONTACT:** Clampco Products, Dept. CN, 1743 Wall Rd., Wadsworth, OH 44281 U.S.A. **TELEPHONE:** 330-336-8857. **FAX:** 330-336-4281. **EMAIL:** sales@clampco.com **WWW:** www.clampco.com

## Replacement Parts for Jeep Vehicles

Crown Automotive is a manufacturer and distributor of replacement parts for Jeep vehicles. Crown offers axle, body, brake,

clutch, driveline, engine, exhaust, electrical, fuel, steering, suspension, transmission and transfer case components for: Willy's, CJ's, Wranglers, Cherokees, Grand Cherokees, and the new Liberty. Crown says they offer high quality discontinued and dealer-only parts at competitive prices. Also available are Dodge and Chrysler vehicle parts. Jeep is a registered trademark of DaimlerChrysler Corp., Crown is not affiliated with DaimlerChrysler Corp. **CONTACT:** Crown Automotive Sales Co., Inc., Dept. CN, 340 Oak St., N. Pembroke, MA 02358 U.S.A. **TELEPHONE:** 781-826-6200. **FAX:** 781-826-4097. **EMAIL:** info@crownautoarts.com **WWW:** www.crownautoarts.com

## Industrial Lubricants and Additives

**LUB <> LINE CORPORATION** says they manufacture the highest levels of industrial oils, automotive lubricants and automotive additives

available on the market today. Products include a full range of lube oils and additives with excellent performance, light color, good oxidation stability and enhanced additive response. They specialize in packaging 55 gallons drums, 6,100 gal. bulk tanks, and rail cars. **CONTACT:** J. Fernando Pastrana, Pres. Int'l Sales, LUB<>LINE Corp., Dept. ## REDUCES FUEL PRICES up to 27%!

This affordable device increases gasoline and diesel mileage up to 27%. The technology allows significantly increased fuel combustion utilizing a Worldwide Patented technique. The "SUPER FuelMAX" can be used with automobiles, light trucks, heavy diesel trucks, marine engines and farm vehicles. Installs in minutes without tools and is unconditionally guaranteed! Factory authorized Dealers and Distributors enjoy wholesale discounts up to 73%. Distributorships available for high profit MAX products.

## BatteryMAX Extends Battery Life!

This small device installs in minutes and dramatically increases battery life up to 500%, according to the company. Sulfation buildup occurs as lead sulfates form on the battery plates. Over time, these sulfates can reduce battery efficiency and can also cause the battery to die. This accounts for more than 80% of all battery problems. "BatteryMax" is for vehicles and equipment that are charged regularly, such as military vehicles, boats, golf carts, forklifts and electric cars. Dealer profits are over 400%, says the company.

## SAVES up to 90% on LAUNDRY DETERGENT

"SOAPMAX"™ is a new high-output water conditioner that requires no installation! It uses flow-through magnetic capacitors with opposite polarities to make water work better, allowing an average family to save money by using 90% less detergent, the company says. The "Soapmax"™ also dramatically extends clothing life and color. **EXCLUSIVE**

**TERRITORIES ARE OFFERED.**

## Aromatherapy: Healthier Air While Driving

New "AromaMAX" fills your automobile's interior with cleaner air and has a patented chamber that can be filled with therapeutic aroma fragrances. This air ionizer plugs into the cigarette lighter and immediately begins filtering the air of particulates and odors while filling the vehicle with healthy fragrances. The unit comes with a one year supply of two widely used therapeutic aromas: Jasmine & Lavender.

## Thermi-Impac Panel Building System

The "Thermi-Impac Building System" consists of a strong three-dimensional steel wire frame encapsulating an insulation core of expanded polystyrene. Easily manufactured with precision Impac equipment, the panels are assembled on-site and Portland cement plaster is applied to create a finished wall. The panel can be used for residential and commercial construction. Impac International sells the machinery necessary to produce the Thermi-Impac Panels and grants licenses to manufacture, use and sell the panel in specific territories throughout the world. **CONTACT:** Donald L. Lloyd, Managing Dir., Impac International, Dept. CN, 16641 Orange Way, Fontana, California 92335 U.S.A. **TELEPHONE:** 909-829-3089. **FAX:** 909-350-8618. **EMAIL:** sales@impac-international.com **WWW:** www.impac-international.com

## Supervised Audio Facility Equipment

"Wheelock" introduces **SAFE-PATH4**, the first supervised communications system to combine paging, employee notification, background music, and emergency voice evacuation. Wheelock claims this is the only system of its kind to allow retailers, industrial sites, and government facilities to benefit from the newly-amended National Fire Alarm Code, which allows fire alarm circuitry, amplifiers, and speakers to be utilized for purposes other than emergencies. This saves maintenance costs by combining supervised emergency notification systems with a general-use address system for background music and announcements, the company adds. **CONTACT:** Debbie Cohen, Wheelock, Inc., Dept. CN, 273 Branchport Ave., Long Beach, NJ 07740 U.S.A. **TELEPHONE:** 732-222-6880. **FAX:** 732-222-8707.

## **Amerimax Building Products, Inc.**

**Amerimax Building Products, Inc.**, a leading manufacturer of

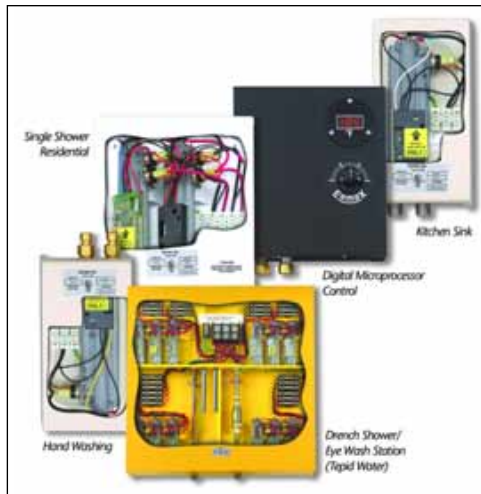

laminated sandwich panels, utilizes reactive hot-melt technology with state-of-the-art equipment and processes to produce a wide variety of laminated solutions. Sandwich panels can be produced with a broad range of facing and core material combinations including plastics, fiberglass, wood, aluminum, steel, foam, honeycomb and fabric. Panels can be manufactured up to 2.75m x 15.25m for use in acoustical panels, cold storage, commercial buildings, liner panels, marine, modular structures, vehicles, signage and truck trailer/bodies. **CONTACT:** Jeremy Kolias, Amerimax Building Products Inc., 5208 Tennyson Pkwy, Suite 100, Plano, TX 75024 U.S.A. **TELEPHONE:** 469-366-3223. **FAX:** 469-366-3231. **EMAIL:** [global@amerimaxbp.com](mailto:global@amerimaxbp.com) **WWW:** [www.amerimaxbp.com](http://www.amerimaxbp.com)

## **Repair Leaks in Minutes**

**"SpeedAlloy"** bonds to virtually any rigid surface, including all types of metals and rigid plastics. It can repair pipes, tanks, sumps, casings, etc. in minutes, says the company. The non-shrink system resists chemicals, cures at low temperatures and exhibits outstanding flexural and compressive strengths, and extraordinary adhesion, the company adds. **ENECON** supplies a complete range of high-performance materials for repairing/rebuilding equipment and structures damaged by erosion/corrosion, plus non-chemical fluid treatment systems designed to prevent mineral scale build-up in pipes and equipment. **CONTACT:** Andrew A. Janczak, Pres., ENECON Corporation, Dept. CN, 700 Hicksville Rd., ENECON Center — Suite 110, Bethpage, New York 11714 U.S.A. **TELEPHONE:** 516-349-0022. **FAX:** 516-349-5522. **EMAIL:** [enecon@enecon.com](mailto:enecon@enecon.com) **WWW:** [www.enecon.com](http://www.enecon.com)

## **Tankless Waterheater**

The **"Electric Tankless Water Heater"** provides unlimited hot water, saves energy (99% efficient) and space, and installation cost, says Eemax. Eemax manufactures the most comprehensive line of electric tankless water heaters available. Ideal for home, office, commercial and industrial applications. Heaters range from 2.4kw for code compliant handwashing to 126kw to provide "tepid" water for emergency drench showers. Distributors are sought.

**CONTACT:** A. Siegel, Eemax Inc., Dept. CN, 353 Christian Street, Oxford, CT 06478 U.S.A.

## **Continuous, Non-electric Illumination**

The Isolite Corporation manufactures **"Self-Luminous Signs,"** the practical solution for EXIT and Safety-Marking requirements in any language. These signs are totally self-contained, highly durable and attractive.

They are completely free from outside energy sources, providing 10 to 20 years of continuously illuminated, maintenance-free operation. There are no defective circuits, batteries or burnt-out lamps to replace; they are unaffected by power outages or brownouts. When all else fails, Isolite Self-Luminous Signs still function, the firm stresses. **CONTACT:** Bill Lynch, President, Isolite Corporation, Dept. CN, 31 Waterloo Ave., Berwyn, Pennsylvania 19312 U.S.A. **TELEPHONE:** 610-647-8200. **FAX:** 610-296-8952. **EMAIL:** [globalsales@isolite.com](mailto:globalsales@isolite.com) **WWW:** [www.isolite.com](http://www.isolite.com)

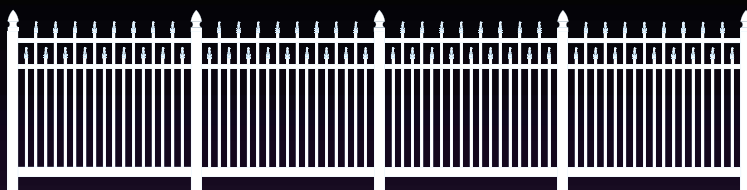

## **Modular Precast Concrete Housing and Fence Molds**

Concrete molding equipment produces precast concrete posts and panels that are ideal for use as structural walls for low-cost housing. Products resemble wood, brick and stone on both sides. These high quality materials are easy to locally manufacture and install quickly using local labor. The house designs available vary in size from 20 m<sup>2</sup> to 56 m<sup>2</sup>. Concrete fences are also built from the same mold equipment. Sell to contractors and homebuilders and governments. Distribution licenses available. **CONTACT:** International Sales, American Technocrete, 4925 Sepulveda Blvd., Sherman Oaks, CA 91403 U.S.A. **TELEPHONE:** 818-990-3362. **FAX:** 818-990-3382. **EMAIL:** [info@technocrete.com](mailto:info@technocrete.com) **WWW:** [www.technocrete.com](http://www.technocrete.com)

# Exciting New Business Opportunity!

 **Thin, Electric Heating Panels**

**"CalorIQ Heating Systems"** are flexible, thin-film electric heating elements for residential heating, industrial process heating, and heaters in appliances. These low-intensity elements can be used as radiant heating systems to provide an energy-efficient temperature control system. The heating panels can be built into the ceiling or floor or installed under the floor, depending on construction and amount of heat desired. Heating elements in different sizes, outputs, and operating voltages are available. Distributors and representatives are sought. **CONTACT:** Kevin Heffron, CalorIQ, Ltd., Dept. CN, 2380 Cranberry Hwy., West Wareham, Massachusetts 02576 U.S.A. **TELEPHONE:** 508-291-4224. **FAX:** 508-291-2299. **EMAIL:** [info@calorique.com](mailto:info@calorique.com)

 **Non-Chemical Fluid Treatment**

Patented **"ENEFLOW Power Cells"** can be used to control mineral scale in all types of fluid flow systems, such as pipes, tanks, heat ex-

changers, boilers, water heaters, etc. They have been used successfully for many years in all types of industries, including power plants, paper mills, mining, petrochemical, marine, as well as residential. Easy to install and maintenance-free, the firm says. ENECON also supplies high-performance polymer materials for repairing and protecting all types of equipment from erosion and corrosion damage. **CONTACT:** Andrew Janczak, Pres., ENECON Corporation, Dept. CN, 700 Hicksville Rd. -Ste. 110, Bethpage, New York 11714-3496 U.S.A. **TELEPHONE:** 516-349-0022. **FAX:** 516-349-5522. **EMAIL:** [enecon@enecon.com](mailto:enecon@enecon.com) **WWW:** [www.enecon.com](http://www.enecon.com)

 **Woodmaster Quality Outdoor Wood Furnaces**

Heat your house, shop, garage, domestic hot water, hot tub, swimming pool, and greenhouse with a **Woodmaster Quality Outdoor Wood Furnace** from Northwest Mfg. Inc. Features: round fire chamber, water jacket, smart heat baffle. Warms water to optimal heating temperature the company states. Circulation pump provides proper heat distribution and maintains desired temperature. Compatible with most existing heating systems. Woodmaster furnace comes in four models, heats from 2,000-20,000 square feet. **CONTACT:** Steve Larson, Sales & Marketing Manager, Woodmaster, Inc., Dept. CN, 600 Polk Ave. SW, Red Lake Falls, MN 56750 U.S.A. **TELEPHONE:** 218-253-4328. **FAX:** 218-253-4409. **EMAIL:** [slarson@woodmaster.com](mailto:slarson@woodmaster.com) **WWW:** [www.woodmaster.com](http://www.woodmaster.com)

 **Innovative Building Systems**

The Haener Two Block Mortarless Interlocking Insulating System is the company's newest innovation in building systems. According to Haener Block, unskilled laborers can lay the block up to 10 times faster than conventional block, resulting in substantial cost savings. Haener Block conforms to international building codes, can be manufactured with standard block making equipment, and is priced comparably to traditional blocks. Haener Block is looking for distributors, sales reps and licensees worldwide. **CONTACT:** Larry Bouchard, VP International Sales, Haener Block, LLC, Dept. ### Natural Weight-Loss Patch

The "Shape-Patch" is a convenient, 100 percent natural weight loss product that contains no drugs, says the company. Wearing the "Shape-Patch" creates a sensation of fullness in the stomach, causing the wearer to eat less at every meal without changing their eating habits or feeling hungry. The company says the weight will stay off even after the patch has been removed. The product's main ingredient is a substance extracted from a sea plant which acts as a remedy for obesity. According to the company, it has no side effects. Exclusive distributors are sought. **CONTACT:** Cid Abreu, Mktg. Mgr., CRA International Co., Dept. CN, 8805 N.W. 35th Lane, Miami, Florida 33172 U.S.A. **TELEPHONE:** 305-591-1622. **FAX:** 305-591-9043. **EMAIL:** [info@shapepatch.com](mailto:info@shapepatch.com) **WWW:** <http://www.shapepatch.com>

## Make The World's Finest Water

"Filtration Concepts, Inc." says they offer the world's finest fresh and saltwater reverse osmosis systems by using the highest quality components in the industry. Their commercial fresh water systems are designed to purify municipal/tap and brackish water. These units are ideal for commercial or residential use, producing 1,560 to 50,000 GPD. FCI saltwater reverse osmosis systems produce 200 GPD and up. The company says they are accredited worldwide, operating in hotels, oilrigs, private boats, homes and commercial ships. **CONTACT:** Wayne McCluskey, Sales. Dir., Filtration Concepts, Inc., 2226 S. ## Wastewater Treatment Systems

FAST® wastewater treatment systems, manufactured by **Bio-Microbics Inc.**, provide affordable, reliable treatment for small towns, villages, hotels and commercial applications. FAST systems are pre-engineered using a long-lasting, modular design and offer simple installation, operation and maintenance. Typically housed in concrete tanks, FAST units consistently deliver very high performance levels (average of 95% BOD<sub>5</sub> and 70% total nitrogen reduction). FAST wastewater treatment systems meet or exceed most worldwide regulatory requirements. FAST units can be ordered, shipped, installed and operating within a few weeks. **CONTACT:** Raymond Peat, Bio-Microbics, Inc., 8450 Cole Pkwy, Shawnee, KS 66227 U.S.A. **TELEPHONE:** 913-422-0707. **FAX:** 913-422-0808. **EMAIL:** [onsite@biomicrobics.com](mailto:onsite@biomicrobics.com) **WWW:** [www.biomicrobics.com](http://www.biomicrobics.com)

## Designed for Worldwide Applications

Designed for unlimited applications, the **Pure Water C-630™** produces 630 gallons of pure, distilled water each day! Constructed of top-quality stainless steel, the space saving design allows the unit to fit into a corner. It's also easy to operate with fully automatic operation, auto start-up and shutdown, and self-monitoring purity. A high design priority has been placed on easy replacement of components, and operating costs are as low as \$.03 per gallon, says the company. Worldwide Distributors are sought.

### Chafing Fuel and Liquid Candlelamps

Hollowick's "Easy Heat®," the first truly adjustable heat liquid chafing fuel, provides 3 different heat levels. High heat will provide twice as much heat as the most popular jellied chafing fuels, the firm adds. "Easy Heat®" fuel does not puddle on the can top, is nonflammable and safe to use and store, according to the firm.

Hollowick announces publication of a new 2002 catalog featuring over 2,000 combinations of "Liquid Candlelamp" styles. Hollowick's clean, pure liquid paraffin lamp fuel is world-renowned for its clean burning characteristics, classified as nonflammable and safe to use and store, the firm says. Agents are sought for international expansion.

**CONTACT:** Jon Bolles, VP Sales & Mktg., Hollowick, Inc., Dept. CN, P.O. Box 305, Manlius, New York 13104 U.S.A. **TELEPHONE:** 315-682-2163. **FAX:** 315-682-6948. **EMAIL:** info@hollowick.com **WWW:** http://www.hollowick.com

### Pour On The Heat, Not The Fuel

Heat-It® features a new Advanced Power Pad™ that delivers the ultimate combination: the heat output of a gel fuel and the safety of a wick. The patented technology emits a broad flame to match the quick heating power of gel. Yet it's fueled by diethelene glycol,

which offers a consistent, non-hazardous source for keeping foods hot and ready to serve. Available in 2+ hour/72-pak, 4.5-hour/24-pak or 2-hour Hot Box/24-pak. **CONTACT:** Lane B. Murlin, Vice Pres., Sales & Mktg., Candle Lamp Company, Dept. CN, 1799 Rustin Avenue, Riverside, CA 92507 U.S.A. **TELEPHONE:** 909-682-9600. **FAX:** 909-784-5801. **EMAIL:** sales@candlelamp.com **WWW:** www.candlelamp.com

## Premium Foods Worldwide

The Carriage House Companies, Inc. is one of America's largest Private Label and Branded Foods manufacturers of Mayonnaise, Dressings, Peanut Butter, Syrups and Sauces.

### The Ultimate Glass Washing System

"Bar Maid Portable Electric Glass Washers" are designed to fit in almost any bar sink. Both "Submersible" and "Upright" models install in seconds. Spinning brushes scrub inside and out removing all

tough soils including lipstick! Inexpensive and virtually maintenance free, Bar Maid says their washers may be used as a pre-wash before cabinet washing or as a stand-alone system. A variety of interchangeable brushes can clean virtually any type of glassware. Safety and sanitation approved. For distribution opportunities, **CONTACT:** G. Shepherd, Pres., Bar Maid Corporation, 2950 NW 22nd Ter., Pompano Beach, FL 33069 U.S.A. **TELEPHONE:** 954-960-1468. **FAX:** 954-960-1647. **EMAIL:** [info@barmaidwashers.com](mailto:info@barmaidwashers.com) **WWW:** [www.barmaidwashers.com](http://www.barmaidwashers.com)

### AIR FRESHENER FRAGRANCE GELS

Prospect Ave, Kansas City, MO 64127 U.S.A. **TELEPHONE:** 816-920-5000. **FAX:** 816-920-5511. **EMAIL:** [danbunch@worldnet.att.net](mailto:danbunch@worldnet.att.net)

Founded in 1934, Odorite International has been a leader in the fragrance air freshener industry, providing the highest quality products to satisfied customers worldwide, says the company. In the early 70s, Odorite Research & Development Department developed the unique hot gel technology. This **unique hot gel** method permits higher fragrance contents ranging to potentially over 40%, compared to limitations of 7 to 12 % levels for cold gel products. This advantage of higher fragrance contents provides products with stronger smells and longer life. Each production batch meets laboratory quality control standards. Private labeling is available and this market has experienced tremendous growth for Odorite during the past decade, states the company. **CONTACT:** Dan Bunch, CEO, Fragrance Master/ Div. of Odorite International, 1530

### Cleaning Equipment for Industrial Applications

"Hydro Systems Co." manufactures dispensers that take the guesswork and labor out of measuring cleaning products to obtain the optimal strength and cost-effectiveness, says the company. Concentrated cleaning chemicals such as dishwashing detergents, floor cleaners, glass cleaners, sanitizers and many more can be automatically diluted to the desired water-to-product ratio. Safety of personnel who handle chemicals is also increased, the company adds. Different models are available to dispense the properly diluted solution into spray bottles, buckets or as a thick, rich foam for large area cleaning. Partners who manufacture cleaning chemicals or distribute janitorial supplies are sought. **CONTACT:** Pete Maglocchi, VP/Mktg. & Business Dev., Hydro Systems Co., Dept. CN, 3798 Round Bottom Rd., Cincinnati, Ohio 45244 U.S.A. **TELEPHONE:** 513-271-8800. **FAX:** 513-271-0160. **EMAIL:** [pmaglocchi@hydrosystemsco.com](mailto:pmaglocchi@hydrosystemsco.com) **WWW:** [www.hydrosystemsco.com](http://www.hydrosystemsco.com)

### Material Length Measurer

The Model 1700 **Material Length Measurer** offers increased accuracy, durability and operator convenience, says **Reel-O-Matic®**. The

ROM 1700 has a measuring head that literally floats along the material being measured, meaning less vibration between the material and the measurer. Counters feature large easy to read numerals in feet and inches, meters and decimeters optional. A swing away fairlead is provided when measuring material under 1/2" diameter. Resets to ZERO with one press of a lever or turn of a knob. **CONTACT:** Reel-O-Matic, Dept. CN, 6408 S. Eastern Avenue, Oklahoma City, OK 73149 U.S.A. **TELEPHONE:** +1 405 672 000. **EMAIL:** [sales@reelomatic.com](mailto:sales@reelomatic.com). **WWW:** [www.reelomatic.com](http://www.reelomatic.com)

### Three Phase Power Quality Analyzer

**PowerPad™** is a hand-held three-phase Power and Power Quality meter with large graphical color display. Measurements are displayed numerically and graphically with colored waveforms. Meter is menu driven with pop-up functions activated

with one push. All necessary measurements are available for a power system check or analysis to 830 Vrms, 6500Arms with a complete family of clamp-on and flexible probes. The PowerPad™ has a logging function, an optical RS-232 and an advanced software that can pilot the Power Pad and provide comprehensive reports. **CONTACT:** Elizabeth Kessel, Export Manager, AEMC® Instruments, Dept. CN, 15 Faraday Drive, Dover NH 03820 U.S.A. **EMAIL:** [export@aemc.com](mailto:export@aemc.com). **WWW:** [www.aemc.com](http://www.aemc.com)

### Precision Bending of Tubes/Pipes

"PHI Precision Tube/Pipe Bending Machines" are designed for applications requiring precision bending of tubes without cross-section

distortion and with minimal wall thickness reduction. Ideal for air conditioning and aircraft repair, these products save time and money, says the company. Models are available as manual, semi-automatic, or with programmable digital controls for multiple axis bending. Capacities range from 3 mm diameter light wall tubes to 200 mm diameter heavy steel pipe. Buyers and distributors are sought. **CONTACT:** Carlos J. Gusts, Gen. Mgr., PHI, Dept. CN, 14955 East Salt Lake Avenue, City of Industry, California 91746 U.S.A. **TELEPHONE:** 626-968-9686. **FAX:** 626-333-3610. **EMAIL:** [phisales@phi-tulip.com](mailto:phisales@phi-tulip.com). **WWW:** [www.phi-tulip.com](http://www.phi-tulip.com)

### Precision Tube End Finishing Machine

The "PHI Tube End Finishing Machine" prepares the ends of tubes or pipes for joining with other tube or pipe sections, valves, T-joints, or machinery. The

product can prepare ends with precision squaring, deburring, flaring, beading, or flanging. It is ideal for repairing hydraulic systems and fuel lines in the aircraft, automotive, heating, and air conditioning industries. The company says the product is versatile and saves time and money. Models are available for 3 mm diameter light wall tubing to heavy 200 mm diameter pipe. Buyers and distributors are sought. **CONTACT:** Carlos J. Gusts, Gen. Mgr., PHI, Dept. CN, 14955 East Salt Lake Ave., City of Industry, California 91746 U.S.A. **TELEPHONE:** 626-968-9686. **FAX:** 626-333-3610. **EMAIL:** [phisales@phi-tulip.com](mailto:phisales@phi-tulip.com). **WWW:** [www.phi-tulip.com](http://www.phi-tulip.com)

### Manual Presses for Light Production Applications

"PHI Manual Laboratory Presses" are ideal for short-run plastic and rubber molding, materials testing, adhesive bond, credit card and printed circuit board laminating, and other laboratory and light production applications.

These quality presses are versatile and use precise control to apply heat and pressure on materials. They are used in many industries for testing, says the company, and are ideal for chemical laboratories. Models are available with maximum force to 50,802.5 kg and maximum temperature of 350 °C. Buyers and distributors are sought. **CONTACT:** Carlos J. Gusts, Gen. Mgr., PHI, Dept. CN, 14955 East Salt Lake Ave., City of Industry, California 91746 U.S.A. **TELEPHONE:** 626-968-9686. **FAX:** 626-333-3610. **EMAIL:** [phisales@phi-tulip.com](mailto:phisales@phi-tulip.com). **WWW:** [www.phi-tulip.com](http://www.phi-tulip.com)

## Tube Cleaning

**ITC Inc.** is a leader in the effective treatment of various tube fouling problems that limit the heat transfer and life expectancy of condenser and heat exchanger tubing in the power generation and other industries. ITC says they have developed the most comprehensive and cost effective tube cleaning system available featuring their patented Modular Stainless and Hard Poly cleaners and a variety of specialty cleaners that provide effective cleaning solutions for the entire spectrum of tube fouling problems. Agents and distributors sought. **CONTACT:** Tom Antal, ITC Inc., Dept. CN, 416 Pittsburgh Circle, Ellwood City, PA 16117 U.S.A. **TELEPHONE:** 724-752-3100. **FAX:** 724-752-3104. **EMAIL:** tma@itcleaning.com **WWW:** www.itcleaning.com

## LOGiT Series Data Loggers

The **LOGiT Series Data Loggers** are designed with the latest technology to accommodate technological advances for years to come. The company says they are economic, compact and easy to use. Six versions to choose from: Temperature/ Humidity, Dual Temperature, Temperature and Pressure, Voltage and Current, 4 - 20 ma, Internal and External Temperature. Select the right LOGiT Data Logger for your application along with the Windows compatible LOGiT PC Software and Interface Cable (LLS). **CONTACT:** Sealed Unit Parts Co., Inc., P.O. Box 21, 2230 Landmark Pl, Allenwood, NJ 08720 U.S.A. **TELEPHONE:** 732-223-6644. **FAX:** 732-223-1617. **EMAIL:** info@supco.com **WWW:** www.supco.com

## SMH Single Pole Power Connectors

**SMH "SP" Series** single pole power connector single-piece housings are ideal for use in most DC power connection applications. They are constructed of high impact-resistant polycarbonate Lexan<sup>®</sup> and can be "ganged" together. Silver-plated solid copper contacts offer superior conductivity with low resistance. These connectors are available in 75, 120, and 180 amps. UL and CSA approved. Distributors are sought. **CONTACT:** Christine O'Connor, International Dept., Systems Material Handling Co., Dept. CN, 15785 South Keeler Terr., Olathe, KS 66062 U.S.A. **TELEPHONE:** 913-829-1000. **FAX:** 913-829-6206. **EMAIL:** christineo@smhco.com **WWW:** www.smhco.com

## Towels to Get Tough With!

Safe, biodegradable "**Power Towels**" ("Really Works" or private label) require no water and provide simplicity in cleaning hands and surfaces soiled by the toughest dirt, the firm says. They can clean heavy oil, grease and paint from power tools, machinery and other hard-to-clean surfaces. Made of industrial-strength, 2-ply, non-woven cellulose, "Power Towels" combine super absorbency and durability with a highly effective, all-natural cleaning formula, containing natural citrus oil, that accelerates removal of tough stains, according to the firm. Buyers and distributors are sought. **CONTACT:** Kaori Y. Azzi, Int'l Sales Mgr., Vin-Dotco, Inc., Dept. CN, 2875 MCI Drive, Pinellas Park, Florida 33782 U.S.A. **TELEPHONE:** 727-217-9200, Ext. 2551. **FAX:** 727-217-9400. **EMAIL:** kyamauch@vindotco.com **WWW:** www.vindotco.com

## Compressor And Hydraulic Repairs

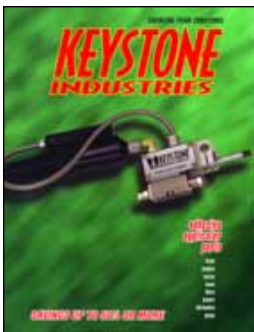

Specializing in compressor and hydraulic repairs. Complete parts and service. If you're buying a used drill in the U.S., **Douglas Drill** can inspect and report conditions of machine. Reports include volumes, pressures, temperatures, oil analysis, etc. They also appraise damage on a rig due to accidents, fire, or sabotages. Estimates on repair of compressors, hydraulic components, gear boxes. Partial or complete rig overhauls can be performed in their shop. They also source parts and components for almost any brand and model. **CONTACT:** Tom Dunsmore, Douglas Drill Services, Dept. CN, P.O. Box 77, Phillipsburg, PA 16866 U.S.A. **TELEPHONE:** 704-528-5343. **FAX:** 704-528-5241. **EMAIL:** rigparts@mindspring.com **WWW:** www.douglasdrillservices.com

## Collapsible Tanks Offer Instant Liquid Storage

**Aero Tec Laboratories (ATL)** produces inexpensive pillow-type "**Flex-Tanks**" for bulk storage of transformer oil, fuel, water, fertilizer, chemicals and wastes. These collapsible bladders include all fittings and they can be set up indoors or outdoors in minutes. ATL's "Flex-Tanks" are reinforced with durable nylon cord fabric for outstanding puncture and abrasion resistance. Agents, buyers, distributors and representatives are sought. **CONTACT:** David Dack, V.P. Sales, Aero Tec Laboratories, Inc. (ATL), Dept. CN, 45 Spear Road, Ramsey, New Jersey 07447-1251 U.S.A. **TELEPHONE:** 201-825-1400. **FAX:** 201-825-4974. **EMAIL:** atl@atline.com **WWW:** www.atline.com

## Replacement Applicator Parts for Adhesive Systems

**Keystone Industries** manufactures high-quality, low-cost "**Replacement Applicator Parts**" for Nordson, ITW, and Slautterback adhesive systems. Nozzle tips for Mactron and Valco cold glue systems also are available. The company says it has in stock and ready to ship a complete line of nozzles, hoses, filters, heaters, thermostats, modules, and applicator heads at a savings of 30-50 percent off OEM prices. Nozzles are made from high-quality brass with hypodermic stainless steel inserts with an internal diameter variance of  $\pm 0.001$ . Stainless steel nozzles also are available. The newest technology in heating and insulation is used to create hoses with 30 percent smaller outer diameters, allowing for greater flexibility and 30 percent less weight. These hoses are more efficient and easier to install in tight areas, says the company. Applicator head heaters, thermostats, and RTD can be replaced without removing the gun by using the company's new side entry service panel, saving downtime and money. All parts are fluid tested for accuracy, are 100 percent guaranteed to perform, and retrofit existing systems without needing additional fittings, says the company. All products offer the same warranty as the original equipment manufacturer. Distributors are sought that have experience in packaging machinery, hot melt adhesive or a related industry. Buyers are welcome. **CONTACT:** Marc J. Carson, Pres., Keystone Industries, Dept. CN, 745 West Winder Industrial Parkway, Suite A, Winder, Georgia 30680 U.S.A. **TELEPHONE:** 770-586-5990. **FAX:** 770-586-5991. **EMAIL:** sales@keystoneparts.com **WWW:** www.keystoneparts.com

## Complete Bottled Water Plants

**Norland International Inc.** is helping meet the world's demand for quality bottled water by producing turnkey bottling systems, as well as components, for bottling plant start-ups or plant expansions. Since all components are designed to function as a unit, the system works at optimal efficiency to yield quicker return on investment, says the company. Norland systems are ideal for small- to mid-sized operations. The company has been serving customers worldwide for nearly 10 years. **CONTACT:** Bruce Kucera, VP, Norland Int'l Inc., P.O. Box 67189, Lincoln, NE U.S.A. **TELEPHONE:** 402-441-3737, ext. 201. **FAX:** 402-441-3736. **EMAIL:** bk@norlandintl.com **WWW:** www.water-bottling.com

## Complete Line of Valves

**Crispin Valve** manufactures products for the municipal water, industrial, nuclear, chemical, mining, energy and processing industries. Valve lines include Swing Check, Tilting Disc Check, Rubber Flap-check, Silent Check, Surge Check, Air and Vacuum Release, Deep Well, Pressure Air Release, Midget Air Release, Universal Air Release, Combination & Dual Air, Negative Pressure, Pressure Sewer, Air & Vacuum Sewer, Universal Sewer, Combination Sewer, Foot, Vacuum Relief, and a variety of support valves. Sizes range from 1/2" to 72". **CONTACT:** Julie Crispin, Crispin Valve, Dept. CN, P.O. Box 427, Berwick, PA 18603 U.S.A. **TELEPHONE:** 570-752-4524. **FAX:** 570-752-4962. **EMAIL:** Julie@crispinvalve.com **WWW:** www.crispinvalve.com

## Gamma Counters

**Supervised Audio Facility Equipment**

"Wheelock" introduces **SAFE-PATH4**, the first supervised communications system to combine paging, employee notification, background music, and emergency voice evacuation. Wheelock claims this is the only system of its kind to allow retailers, industrial sites, and government facilities to benefit from the newly-amended National Fire Alarm Code, which allows fire alarm circuitry, amplifiers, and speakers to be utilized for purposes other than emergencies. This saves maintenance costs by combining supervised emergency notification systems with a general-use address system for background music and announcements, the company adds. **CONTACT:** Debbie Cohen, Wheelock, Inc., Dept. CN, 273 Branchport Ave., Long Beach, NJ 07740 U.S.A. **TELEPHONE:** 732-222-6880. **FAX:** 732-222-8707.

**LED Traffic Cone Illuminator**

New **Lightman LED** traffic cone illuminator for "dusk to dawn" use is now available. This remarkable, patent pending, lighting device illuminates a traffic cone from the inside without modification while preserving the shape and the color of the cone. Guide and direct motor traffic or foot traffic without fire hazard. Excellent for moving traffic away from utility workers and their vehicles. Powered by 2 AA batteries, this product will light a cone for over 50 hours. **CONTACT:** Les Thornbury, VP Visibility Systems Co., Dept. CN, PO Box 838, Southport, CT 06490-0838 U.S.A. **FAX:** 203-333-5577. **EMAIL:** lightmanstrobes@worldnet.att.net **WWW:** www.lightmanstrobes.com

## **Materiales Educativos**

"Learning Resources", un fabricante de libros y materiales educativos, busca distribuidores y socios para comercio internacional. Ofrecen más de 1.000 productos para matemáticas, ciencias, idiomas y aprendizaje temprano, todos con una reputación de fuerte contenido de educativo y de alta calidad, indicó la compañía. Learning Resources está también interesado en proyectos personalizados de OEM (fabricantes de equipos originales). Un catálogo de cortésia disponible bajo pedido. **CONTACTO:** Ventas Internacionales, Learning Resources, Dept. CN, 380 N. Fairway Drive, Vernon Hills, Illinois 60061 EE.UU. **TELÉFONO:** 847-573-8400. **FAX:** 847-573-8425. **EMAIL:** info@learningresources.com **WWW:** www.learningresources.com

## **Parche para Perder Peso Naturalmente**

"Shape Patch" es un producto conveniente para perder peso, 100 por ciento natural que no contiene ninguna droga, dice la compañía. El uso del "Shape Patch" crea una sensación de llenura en el estómago, lo cual permite que el usuario coma menos durante cada comida sin cambiar sus hábitos alimenticios o sentir hambre. La compañía indica que no se recuperará el peso perdido aún después de que se quite el parche. El ingrediente principal del producto es una sustancia que se extrae de una planta marina, la cual actúa como un remedio para la obesidad. De acuerdo a la compañía, no tiene efectos secundarios. Se busca distribuidores exclusivos. **CONTACTO:** Cid Abreu, Gerente de Mercadeo, CRA International Co., Dept. CN, 8805 N.W. 35th Lane, Miami, FL 33172 EE.UU. **TELÉFONO:** 305-591-1622. **FAX:** 305-591-9043. **EMAIL:** info@shapepatch.com **WWW:** http://www.shapepatch.com

## **Formulas, Hierbas y Nutrientes Especializados**

Cévan International ofrece un paquete de marketing al detal, adaptable a los mercados e idiomas locales. Su Formula Con-junta contiene glucosamina HCl y MSM para fortalecer la salud. LivRdoo está formulado para apoyar la salud y el funcionamiento del hígado. Cévan ofrece una gama completa de nutrientes, hierbas y formulas especializadas, así como vitaminas y minerales en frascos de 30 unidades. Cévan indicó que se especializan en exportación con excelente documentación para el registro de productos. Los productos se venden en América del Sur, el Medio Oriente, Asia y Europa. **CONTACTO:** Jim Goudelock, Cévan International, Dept. CN, 6666 Gunpark Dr., Suite 100 Boulder, Colorado 80301 EE.UU. **TELÉFONO:** 303-442-1368. **FAX:** 303-442-1369. **EMAIL:** info@cevan.com **WWW:** www.cevan.com

## **Medidor de Extensión de Material**

El Medidor de Extensión de Material Modelo 1700 ofrece mayor exactitud, durabilidad y conveniencia para el operador, dice Reel-O-Matic®. El ROM 1700 tiene una cabeza de medición que literalmente flota junto con el material que se está midiendo, lo cual significa menos vibración entre el material y el medidor. Los medidores presentan números grandes y fáciles de leer en pies y pulgadas, metros y decímetros opcional. Ofrece una guía giratoria cuando se mide material con un diámetro inferior a 1/2". Regresa a CERO con una sola presión de la palanca o giro del botón. **CONTACTO:** Reel-O-Matic, Dept. CN, 6408 S. Eastern Avenue, Oklahoma City, Oklahoma 73149 EE.UU. **TELÉFONO:** +1 405 672 000. **EMAIL:** sales@reelomatic.com **WWW:** www.reelomatic.com

## **FRAGANCIAS DESODORANTES DE AMBIENTE EN GEL**

Fundada en 1934, Odorite International es líder de la industria de fragancias desodorantes de ambiente, y ofrece productos de la más alta calidad en el mundo entero, indicó la compañía. A principios de los 70s, el departamento de investigación y desarrollo de Odorite, desarrolló una tecnología de **gelatina caliente exclusiva**. Este método de gelatina caliente exclusivo permite ofrecer un contenido de fragancia más alto que sobrepasa potencialmente el 40%, en comparación con limitaciones de niveles del 7% al 12% para los productos de gelatinas frías. Esta ventaja de contenido de fragancia más alto ofrece productos con olores más fuertes y vida más larga. Todo el producto cumple con los estándares de control de calidad del laboratorio. Se produce para etiquetas privadas ya que este mercado experimentó un tremendo crecimiento para Odorite durante la última década, manifestó la compañía. **CONTACTO:** Dan Bunch, CEO, Fragrance Master/ Div. de Odorite International, 1530 Prospect Ave, Kansas City, Missouri 64127 EE.UU. **TELÉFONO:** 816-920-5000. **FAX:** 816-920-5511. **EMAIL:** danbunch@worldnet.att.net

## **Productos de Cuidados para Caballos & Mascotas**

La línea de productos de Espree es ideal para mascotas y dueños con alergias o piel sensitiva. El **Champú Citrusil Plus** para mascotas es una formula concentrada que elimina sin peligro los problemas causados por insectos de manera natural con aceites cítricos y aceites de árbol de té ("Melaleuca"). El **Rociador Concentrado Aloe Herbal para Caballos** es una alternativa natural al insecticida repelente de insectos y moscas formulado con aceites de citronela, eucalipto y madera de cedro. Espree ofrece una línea completa de productos para caballos y mascotas. Se buscan distribuidores. **CONTACTO:** Teri Payne, ESPREE Animal Products, Inc., 637 Westport Pkwy #208, Grapevine, Texas 76051 EE.UU. **TELÉFONO:** 817-251-6300. **FAX:** 817-251-6400. **EMAIL:** tpayne@espree.com **WWW:** www.espree.com

# Duraclean

## ***It's Not Clean Unless It's Duraclean***

Founded in 1930, Duraclean is America's longest established, full-service, commercial and residential cleaning & restoration franchise. Master Franchise Licenses are now available worldwide for a specific geographical country or region. This license permits the Master Franchisor to sub-franchise (sell Duraclean service franchises) within that specific geographical region.

In addition to selling new franchises, the Master Franchisor is also licensed to distribute Duraclean's chemicals and equipment to the franchises he or she has set up. The strategic relationship between Duraclean International and the Duraclean Master Franchisor is unique in franchising. We never require the new Master Franchise to fit our program, on the contrary, we customize our business system to fit the culture and geography of the Master Franchise. Services include:

***Insurance Restoration (Fire, Smoke & Water Damage)***

***Residential & Commercial Carpet Cleaning***

***Chemicals and Equipment Distribution***

***Upholstery and Drapery Cleaning***

***Hard Surface Floor Cleaning***

***Ceiling and Wall Cleaning***

***High Pressure Washing***

***Ultrasonic Cleaning***

***Janitorial Cleaning***

***Mold Remediation***

***Duct Cleaning***

# Want to conserve water and reduce drought problems?

## Water\$avr™

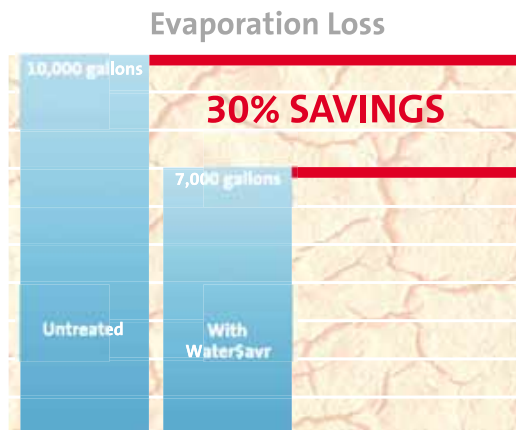

### Evaporation Control

Introducing Water\$avr... a new patented surface water evaporation control product that will conserve up to 30% of your water supply levels, even during drought-prone periods. Water\$avr is more economical than mechanical covers or other chemical film-forming alternatives currently on the market. Simply spread Water\$avr on any body of water and it's patented, self-spreading action will provide continual coverage.

#### Conserve Water

##### *Reduce drought problems*

- Apply to source water reservoirs, lakes, ponds and slow moving rivers
- Reforms if wind and wave action disrupt coverage
- Apply in flood irrigation such as rice fields, etc.

#### Safe to the environment

- Composed of food grade chemicals
- NSF Certified to ANSI 60 Drinking Water Treatment Chemicals
- Designated by the United Nations Environment Programme as an **Environmentally Sound Technology**

## *Have more water... every day!*

# Be Part Of A \$100,000,000 Revolution!

"Emu Oil is the ingredient responsible for building our category of products to over \$100,000,000.00 in sales" according to Josh Bellieu, Vice President of Research and Development at Blue Stuff, Inc.

Josh also states:

- **Emu Oil** is the wave of the future as a cosmetic ingredient.
- **Emu Oil** has been used by Blue Stuff, Inc. to dramatically enhance all of our products's effectiveness.
- **Emu Oil** is making headlines for its numerous properties.

Blue Stuff, Inc. is selling top grade Emu Oil at \$120.00 per gallon for a limited time in order to get other countries to try it. Most Emu Breeders in the United States are getting \$200.00 – \$300.00 per gallon.

On purchases of 100 gallons or more we will pay the shipping to most countries.

Contact David Proctor for additional information and to order Emu Oil:

## Amazing Opportunity for International Distribution!

Super Blue Stuff™ is a unique product that has become a huge success in the United States. A combination of Emu Oil, Aloe Vera, MSM and Natural herbs have helped to make Super Blue Stuff™ a huge success. Millions of units have been sold on TV, and Super Blue Stuff™ has created a loyal following of hundreds of thousands of satisfied customers. Blue Stuff, Inc. still has a few openings for:

Qualified representatives with:

- Adequate funding for inventory and distribution
- Established International distribution connections
- Experience in professional, top-level wholesale/retail distribution.

Prefer large chain, country-wide distributors.
